02/23/2018	.20	SLF	Received email from Trustee wanting to know if we had determined a basis for the Whispering Wind Ranch that was sold late 2017. I responded back that we had went over the time line of when the debtor made the initial land purchase, started building the house and other buildings and when he purchased the additional 20 acres. But I had not actually received anything that showed solid numbers for the cost.
02/28/2018	.40	SLF	Called Trustee to talk about the basis of the Ranch sold late 2017. We decided to use a conservative estimate (as debtor and debtor's accountant were not cooperating with providing information.) I also reminded Trustee that we had used some of the basis when the guest house was sold. We would need to reduce our estimate by what was used for the guest house sale.
03/01/2018	.20	SLF	Received email from Trustee with an estimate to use for the basis of the Ranch.
